EMPOWERING INDIA'S FUTURE: JAYANT SINGH LEADS MINISTRY OF SKILL DEVELOPMENT & ENTREPRENEURSHIP

Shri Jayant Singh was appointed as the Minister of State (Independent Charge) for the Ministry of Skill Development & Entrepreneurship. His new role underscores a commitment to enhancing India's workforce capabilities and fostering entrepreneurial spirit nationwide.

The Telecom Sector Skill Council (TSSC) eagerly anticipates increased participation in skill development efforts under Minister Jayant Singh's leadership. With his vision and strategic direction, TSSC looks forward to collaborating with stakeholders to empower more individuals with essential skills, thereby promoting India's digital economy and ensuring sustainable socio-economic development.

FROM THE DESK OF THE CEO.

India's "Fiberization" boom in recent years has been a game-changer. By developing skills in optical fiber technology, our youth are empowered to join the workforce and contribute to India's digital transformation.

Last month's IndiaSkills 2024 was a resounding success. The event showcased a vibrant enthusiasm for the telecom sector. A shining example is Amit Kumar from Bihar, who not only won gold at IndiaSkills but also recently secured gold in the BICSI India Cabling Challenge pre-selections. Such excellence inspires us at the Telecom Sector Skill Council to empower more individuals to excel and make a significant impact on the industry.

Following Amit's lead, I encourage all young men and women to explore technical and telecom skills. Together, let's showcase the strength of Indian talent on the global stage!

Praveen Sirohi

CEO (Interim)

Telecom Sector Skill Council

CERTIFICATION CEREMONY UNDER A CSR SKILL DEVELOPMENT PROJECT BY ERICSSON AND TSSC

New Delhi: 60 young trainees at the TSSC Centre of Excellence at Delhi Skill and Entrepreneurship University, were awarded certifications marking the successful completion of their training in Telecom Line Assembly. The training project is under a CSR project by Ericsson India and Telecom Sector Skill Council.

A ceremony was held for felicitation of the trainees along with counseling sessions from officials of Ericsson and Telecom Sector Skill Council, highlighting the roadmap ahead and the scope of the telecom sector in India.

ENSURING RETENTION & ENHANCING ENTREPRENEURSHIP OPPORTUNITIES: A TALK BY TSSC AT CXO MEET 2024

At the recent CxO Meet hosted by the Haryana Government under the Deen Dayal Upadhyaya Grameen Kaushalya Yojana as part of Azadi ka Amrit Mahotsav, the Telecom Sector Skill Council (TSSC) showcased its dedication to advancing the telecom sector. Ankit Demta, AGM at TSSC, represented TSSC, focusing on retention and placement and enhancing entrepreneurship opportunities.

TSSC's Telecom Grameen Udhyaami project was showcased, illuminating the importance of entrepreneurship skills & how industry partnership for the project streamlines future readiness.

TSSC COLLABORATES WITH OSDA FOR PLACEMENT-LINKED SKILL-BASED TRAINING IN TELECOM JOB ROLES.

Telecom Sector Skill Council (TSSC) has signed a Memorandum of Agreement (MOA) with the Odisha Skill Development Authority (OSDA). This collaboration focuses on providing placement-linked skill-based training to 3000 young individuals in various telecom job roles. This strategic alliance not only addresses the growing demand for skilled professionals but also underscores the commitment to fostering a skilled workforce capable of driving technological advancements in the telecom industry.

AQUINT GLOBAL, AHMEDABAD AND TELECOM SSC SIGN AN MOU TO CREATE UPSKILLING & CERTIFICATION COURSES.

The Cisco Certified Network Associate v1.0 (CCNA 200-301) exam is an exam associated with the CCNA certification. This exam tests a candidate's knowledge and skills related to network fundamentals, network access, IP connectivity, IP services, security fundamentals, and automation and programmability. TSSC and Aqint Global have joined hands to provide training for prepare for CCNA Certificate Exam and placement opportunities both national and international for CCNA Certified professionals.

Telecom Sector Skill Council (TSSC) organized a job fair at the Lotus Petal Foundation campus in Gurugram, featuring participation from seven companies. The event attracted over 400 talented candidates, among whom the participating companies successfully selected more than 90.

TSSC organized a placement drive at Sat Krishna Career Development Center in Gurugram, focusing on the Customer Care Executive job role. The event attracted participation of 30 candidates, from which Globiva Services selected 19 outstanding individuals. This achievement highlights TSSC's dedication to connecting skilled talent with industry needs, fostering meaningful career opportunities for aspiring professionals.

TSSC participated at a recent job fair held at the Government ITI in Eluru, Andhra Pradesh, six companies hired 186 jobseekers for telecom-related roles from a pool of 252 applicants. Notable companies like VVDN Technologies, Qess Corp Limited, and Jio participated, offering numerous opportunities for aspiring candidates and contributing to the event's overall success.

TELECOM SECTOR SKILL COUNCIL AND CULTUS EDUCATION AND TECHNOLOGY SERVICES PARTNER FOR DIGITAL SKILLING IN INDIA

We are thrilled to announce a groundbreaking partnership between the Telecom Skill Sector Council and Cultus Education and Technology Services Pvt. Ltd. This Memorandum of Understanding (MoU) signifies a monumental step towards crafting job readiness solutions tailored specifically for the telecom industry across ASEAN.

At Cultus, we are more than just a skilling and job technology company; we are a vibrant ecosystem of innovation, passion, and transformation. Founded by a group of dynamic and passionate individuals, our mission is deeply rooted in the belief that the future of work is not just about jobs—it's about creating a skilled, adaptable, and innovative workforce ready to face the challenges of tomorrow.

In a rapidly evolving world, the need for specialized skills has never been more critical. We are committed to delivering skills for future jobs through large-scale, high-impact skilling programs. By partnering with TSSC, we bring to our learners outcome-based skilling programs that are unmatched in quality and relevance

Our Unique Methodology

What sets us apart is our unique methodology. Each learner's journey is distinct, and filled with challenges and aspirations. That's why our programs offer personalized learning paths, meticulously designed to cater to the individual needs of every learner. Whether you're a job seeker looking to make your mark in the industry, an aspiring job creator aiming to innovate and lead, or an educator seeking to acquire modern teaching skills, our programs are tailored to ensure you reach your desired outcome.

At Cultus, we don't just teach skills; we foster a culture of continuous learning and growth. Our learners are at the heart of everything we do, and their success is our success. By the end of their journey with us, they are not just equipped with skills but are empowered to make a significant impact in their chosen fields.

Our Hero Product: Orbit Skill Centre

The Orbit Skill Center is a world-class single-point center designed to solve the challenges faced by learners and the university while providing a holistic solution to the industry for job readiness. The core of our learning program is based on the Cultus Way, featuring three streams of study:

1. Job Readiness
2. Technology 4.0
3. Smart Career

These are delivered through our proprietary methodology, D.O.C.S., which embodies the philosophy of Cultus: "This is the era of Methodology and Outcome."

1. Define
2. Optimize
3. Certify
4. Showcase

Our vision is to transform the landscape of workforce development by executing large-scale skilling programs that deliver high-impact learning experiences and ensure measurable outcomes for every learner. We strive to be at the forefront of job technology, leveraging innovative tools and methodologies to bridge the gap between talent and opportunity. By focusing on both individual growth and the evolving needs of the global job market, we aim to empower millions of people worldwide to unlock their full potential and achieve their career aspirations.
